Wighton

A LOVELY VILLAGE, CLOSE TO THE SEA

Wighton is a small and sleepy rural village five minutes drive from the coast at Wells-next-the-Sea and the north Norfolk coast with its miles of unspoilt coastline, and the historic village and Shrine of Little Walsingham. The village has an inn, The Carpenters Arms. The tower of All Saints church collapsed in a storm in 1965 but through the generosity of a Canadian architect whose family had lived in the village, the tower was rebuilt and rededicated in 1976.

Wonderful Wells-next-the-Sea beckons with its sandy beach and charming candy-striped huts, drawing day trippers and holidaymakers. However, it offers much more for those considering it as a permanent residence.

Explore the surrounding waterways aboard Coastal Exploration Company's wooden sailing boats or try stand-up paddle-boarding with Barefoot SUP for an active adventure.

Behind the bustling harbour, seek out sought-after fishermen's cottages or apartments with sea views in converted buildings. Further afield, discover spacious grand houses and new-build developments ideal for families and downsizers. The town boasts a lively community with schools, a GP surgery, and a library.

Delve into culture at Wells Maltings, a heritage centre with a theatre, cinema, gallery, and café-bar. Browse local galleries like The Staithe Gallery, Gallery Plus, and Quay Art for unique artwork. Explore Nomad and the Bowerbird for homewares, Christopher William Country for country clothing, and Ele and Me for eco-friendly children's items.
