Property Overview

Step through the gate into the wonderful garden, with stone wall surround for privacy and access into the home.

Firstly, you are welcomed into the kitchen through a stable door, with views over the garden. The kitchen is well fitted with wall and base units, complementary worktops and tiled splashback with a stainless steel sink and drainer. Integrated appliances include an AEG oven with four ring hob and extractor over, and there is space for an undercounter washing machine, dishwasher and freestanding fridge/freezer.

Follow into the inner hall with access into the living spaces and stairs to the first floor.

Turning left, you are welcomed into the dining room; a generous space with a front aspect window over the garden and a door leading outside. With space for a family dining table, this is the perfect space to enjoy meals with family and friends, with a stone fireplace and coal effect fire for those cooler evenings. There is also a handy larder providing the ideal space for storing essentials or use as a pantry with shelving and an under stairs cupboard.

The living room adjoins, also enjoying views over the garden and presenting a wonderful snug to cosy down on those cooler evenings with a wood burning stove with tile surround, boasting original beams enhancing the traditional feel.

Follow the stairs to the first floor where you will find the three bedrooms and family bathroom. Bedroom one is a double room with integrated wardrobes and dual aspect windows, with space for additional furniture as desired. Bedroom two is a smaller double, enjoying a window seat overlooking the garden. Whilst bedroom three is a single room, it also has great potential as a study for those who work from home. Finally, the bathroom, now in need of updating, presents a great scope to really upgrade the space with a bath and shower over, W.C., pedestal sink and integrated storage, along with a dressing area.

The garden wraps around the property, mostly laid to lawn with gravelled areas and space for outdoor seating, with a stone wall and hedging bordering the property for ample privacy.
