Situation

Beech Tree house is situated adjacent to a conservation area in the lee of the magnificent Witley Court, a short distance from the Village centre. It is a truly wonderful mature setting in a partially unmade roadway. The house is situated well off the main road.

Nikolaus Pevsner in his book The Buildings of Worcestershire describes Witley Court and it's attached parish Church as unforgettable, the enormous house is ruminated. The Church was planned by Thomas, First Lord Foley and built by his widow and was consecrated in 1735.

Witley Court is now in the care of English Heritage. It was stripped and abandoned after the Fire of 1937 but remains a highly attractive shell. St Michael was built in 1733 – 1735 in place of a medieval Church. It has been described as the most Italian ecclesiastical in Georgian England.

Great Witley is about 10 miles from Worcester and provides a comprehensive range of local amenities to include a junior school, doctors surgery, active village hall, playing fields, garage with an Asda and post office/general store. The property lies within the catchment of the highly regarded Chantry senior school at Martley.

Worcester Provides some excellent public and proprietary schools including RGS and Kings School Worcester.

The glorious surrounding undulating countryside provides many splendid walks and countryside pursuits. Extensive amenities can be found in the close by Wyre Forest towns including Stourport-on-Severn, Kidderminster and Bewdley.

There is excellent M5 Motorway access via Junction 5 at Wychbold and 6 at North Worcester. Kidderminster has a direct rail link to Birmingham, London and Worcester.
