It is an inviting home that has been impeccably decorated and stylishly updated with thoughtful improvements. Additionally, the location is incredibly convenient, with Nailsea Park providing easy access to excellent nearby schools, parks, and town center amenities, all just a five-minute walk away.

The welcoming reception hall features practical storage for coats and shoes together with a downstairs cloakroom. To the left the spacious, dual aspect sitting room has sliding patio doors that open to the rear garden and dining terrace beyond, creating a seamless indoor-outdoor flow. The second reception area, an elegant dining room, offers views over the walled forecourt and Nailsea Park.

The kitchen has been beautifully updated and has a range of high gloss wall and floor cabinets, deep pan drawers, an eye-level oven with grill, a gas hob with a feature extractor and integrated appliances, including a fridge and dishwasher. A breakfast bar separates the kitchen from the adjoining breakfast and utility area which includes large larder cupboards with integrated electric sockets, allowing for concealed kitchen devices and freeing up counter space. There's also a door to the integral garage and a cosy informal seating area with access to the rear garden.

Upstairs, a generous landing leads to the bedrooms. Each bedroom in this house is a double room, and both wings of the property are interconnected. The principal bedroom suite is a bright and spacious retreat, featuring two windows with views of the rear garden, two built-in wardrobes with sliding mirrored doors, and a generous dressing area. The ensuite bathroom includes a large walk-in shower.

Completing the upstairs accommodation is a family bathroom with both a bath and shower.

Annexe

Modern and stylish, downstairs, there is a stunning open-plan living/kitchen/dining area with a part-vaulted ceiling and large sliding patio doors that open to the patio and garden. The kitchen which has underfloor heating is impressively equipped with grey high-gloss wall and floor cupboards complemented with quartz countertops. Integrated appliances include an eye-level oven with a microwave above, a full-size dishwasher and fridge, and a concealed washing machine. A breakfast bar provides additional seating. A door leads to the integral garage, and stairs rise to the first floor.

Upstairs, the annex offers two very spacious double bedrooms, one facing the front and the other overlooking the rear. The bathroom is well-appointed with a walk-in shower enclosure with a rain head shower, a back-to-wall WC, a large wash hand basin with a vanity unit, and a towel rail radiator. The bathroom also benefits from electric underfloor heating. Currently, a door connects the annex to the main house landing, which could be locked or removed to fully separate the two spaces.

Outside – The house is accessed via a 5-bar gate leading to a wide, level driveway within a walled forecourt. The driveway provides parking for several cars and leads to two integrated garages, both equipped with electric roller doors, lighting, and power. A gate on one side allows access to the rear garden, which is designed for low maintenance. Two large patios offer attractive seating areas, complemented by a level lawn with mature borders enclosed by timber panel fencing and walls, ensuring a high degree of privacy.

Location – The town of Nailsea has an excellent range of amenities including a library, health and sports centres/clubs and churches along with schooling from infant to senior level.
