Truro, Cornwall TR1 2NS**

**Guide Price - £800,000 Freehold**

- Grade II Listed townhouse
- City centre location
- Four double bedrooms
- Parking for two vehicles
- Gardens

*Four bedroom Grade II Listed townhouse in the very heart of Truro city. Just renovated by a well respected local company who specialise in the restoration of Grade II Listed properties. Beautifully presented and with gardens and parking for two vehicles at the rear – a rarity in such a central location.*

## The Property

43 Lemon Street has recently undergone a scheme of renovation and refurbishment from its former office use to the beautiful family home it is today. The transformation has been carried out by a well respected local development company who specialise in the restoration of Grade II Listed buildings and the home is complete with gardens and parking for two vehicles at the rear, attributes seldom available with a property so close to the city centre.

Much charm and character remains, and many features have been retained including ornate cornicing, fireplaces and sliding sash windows, some with original shutters and some with window seats.

The accommodation is light and well-proportioned to offer a comfortable four bedroom family home which in all comprises; entrance hall, w.c., sitting room, dining room and kitchen/breakfast room open plan to a boot room to the ground floor with three double bedrooms – the master with a range of fitted wardrobes and a large, en-suite shower room – a family bathroom, airing cupboard and large cupboard with water connection, ideal as a utility cupboard, to the first floor and a further double bedroom with two deep fitted wardrobes to the second floor. The second floor landing has a skylight and enough room for a fitted desk to be installed, providing a space perfectly suited for those looking to work from home.

The gardens at the rear enjoy a sunny, southerly aspect and there is a raised terrace ideal for alfresco dining. Below the terrace is a useful storage void and beyond is a level lawn with central pathway and a mature yew tree, and there is also a garden store, fitted with the gas central heating boiler, providing further outdoor storage. At the far end of the garden, and accessed from Chapel Row, is a driveway (11m x 2.5m) providing parking space for two vehicles in tandem.
