## Description

A converted farmhouse dating from pre-1800's, benefitting from exposed timber frame, original chimney stack and roof.

The building gained Grade-II listed status in 1955 with the original build date for the property unknown. There have been two ground floor extensions added to the original building. Throughout the property you will find character features such as exposed beams, rafters and original brickwork. Externally is a large car park surrounding the outward-face of the building, with an enclosed secure store area to the rear.

Previous use for the property was a restaurant, with extensive kitchen facilities, the required extraction system remaining at the rear of the premises along with a refrigeration unit, wine cellar, ingredients store and office.
