Stenson Road, Derby

Sam says

"This is a wonderful family home in a great location. The garden is just fantastic for children or pets alike with so much space! The lounge is a beautiful bright room with a bay window, a gorgeous brick fireplace and log burner. The dining room flows into the garden through patio doors and the kitchen is a lovely bright, modern space! Upstairs there are two large double bedrooms, a generous single bedroom and a modern family bathroom! What strikes me about this house is the flow of natural light keeping the house really bright! It really does make a wonderful family home in a popular area!"
