NO CHAIN. Tucked away at the end of this development, this detached family home was built in 2021 and still offers a remaining NHBC guarantee. Extending to over 1000 Sq.ft (stms) internally, the property features TWO RECEPTION ROOMS including the dining room with FRENCH DOORS opening into a private enclosed rear garden. The ground floor also includes a WELL FITTED KITCHEN and a convenient cloakroom. Upstairs, there are THREE GENEROUSLY SIZED BEDROOMS, with the main bedroom benefiting from an EN-SUITE SHOWER ROOM. A family bathroom serves the remaining bedrooms. The rear garden offers privacy and outdoor space for relaxation or entertaining, along with DRIVEWAY PARKING and a DETACHED SINGLE GARAGE.

### SETTING THE SCENE

Set in a cul-de-sac position with a hard standing frontage, the driveway offers ample parking and access to the detached single garage, whilst a gate leads to the rear garden.

### THE GRAND TOUR

As you step through the welcoming UPVC front door, you are greeted by a entrance hall with carpeted flooring underfoot. The stairs are straight ahead, leading you to the upper level, and to the left, there is a convenient WC for guests. Continuing through, you enter the spacious sitting room. Here, the carpet flows beneath you, and a bay window invites in natural light. From the sitting room, double doors open into the dining room, where the same seamless carpet continues, French doors at the back of the dining room allowing access out to the private, enclosed rear garden. To the side of the dining room is the well-designed kitchen, featuring a range of modern base and wall units. This is equipped with a built-in electric oven and an induction hob along with rolled edged work surfaces. The kitchen also boasts an integrated dishwasher, along with plumbing and space for both a washing machine and a fridge-freezer. An under-stairs storage cupboard offers extra space for household essentials. Moving upstairs, you find yourself on a carpeted landing that connects all the rooms. There is an airing cupboard for storage, adding practicality to this floor. The master bedroom, to your left, has soft carpet underfoot and leads to an en-suite shower room with stylish tiled splash backs and a heated towel rail. Two additional bedrooms, both with carpeted flooring, provide ample space for family or guests. The well-appointed family bathroom completes the tour, featuring a panelled bath and an overhead shower.
