Rules on letting this property

Properties can be let if they have an energy rating from A to E.

You can read [guidance on the minimum energy efficiency requirements for private rented properties](#) on the gov.uk website.

Energy rating and score

This property's energy rating is C. It has the potential to be B.

[See how to improve the energy rating of your property](#)

The graph shows the property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
- the average energy score is 60
