Location

Selkirk lies within the prime catchment area of the central Borders, a beautiful area renowned for its peaceful lifestyle, sense of history and stunning scenery. The relative ease of access to Midlothian towns, the city bypass and indeed Edinburgh city centre is leading to this becoming an area of real attraction to the commuter who wishes to live outside the hustle and bustle of city life. The town itself provides a good range of recreational and educational facilities, plus a variety of hotels, bars and shops catering well for everyday needs, but a wider range of retail outlets can be found in both Hawick (approx 12 miles) and Galashiels (approx 6 miles). The area is surrounded by rolling hills and there are many leisure activities on offer including a golf course, swimming pool, horse riding and rugby club. The Waverley rail link between Edinburgh and Tweedbank can be reached in around 10 minutes by car.
