Fabulous communal gardens.

Garages

Parking Spaces

To the rear of the building there are 5 garages that are all currently rented out.

The plot includes extensive front and rear gardens with private driveway leading to a terrace of 5 lock-up garages, which are all individually let on annual licences.

Summary

This freehold property allows the opportunity of a potential rear extension and re-configuration which would provide an uplift in the capital value of this asset and rental income (subject to the necessary planning consent required).

- This investment has been in the same family ownership for over 30-years and has never been offered on the market for sale.
- This building provides wonderful character properties within this prime location overlooking the Thames estuary
- An ideal investment for a purchaser looking for a long term hold with strong future appreciation
- Rare opportunity to acquire an entire freehold in this location (without individual flats having been sold off beforehand)
