Location

Banbury is the principle commercial and administrative centre of north Oxfordshire, located at Junction 11 of the M40 London to Birmingham Motorway and is a rapidly expanding town with a population of 54,335 (2021 census) and a district population of approximately 160,000.

The property is positioned prominently along the White Lion Shopping Walk, located just off the High Street and within the pedestrianised area of the town. Banbury's modern Castle Quay shopping centre is just a short walk away, which has been subject to significant expansion, including a new cinema, hotel, food retailing scheme and 'Lock 29' artisan market.

Description

The accommodation comprises a characterful end of terrace ground and first floor self-contained retailing unit, formerly occupied as a bookshop. The building also forms part of the Grade II listing of the former White Lion Hotel and is situated within the conservation area of Banbury Town Centre.

There are two separate accesses to the premises at ground floor, with the upper floors providing open plan ancillary office/storage/retail space; further providing a kitchenette and WC. There are also notably 2 allocated car parking spaces.

We consider that the first floor of the premises has good residential conversion potential, subject to obtaining the relevant planning permissions/consents.

Services

We understand that all main services are provided to the property, but excluding gas. Heating to the premises is via electric storage heaters. None of the above services have been tested by the agents.
