LONDON'S BRIGHTEST LIFESTYLE

London nightlife

White City Living offers an experience like no other. With over 2,500 new homes set in eight acres of parks and gardens, surrounded by world-class retail, entertainment, education, culture and commerce. Adjacent to two Zone 2 Tube stations and less than 15 minutes* from the West End.

Set within this new neighbourhood is a unique opportunity to live within the oriental water gardens, which flow through a landscape of hand-selected trees and plants, under elegant bridges, over cascades and waterfalls.

A home at the Cascades within the Water Gardens comes with access to an exclusive residents' lifestyle club of more than 30 facilities and amenities.

To live here is to enjoy London's brightest lifestyle.

Live Bright.

*Travel times from google.co.uk/maps.

-  Prestigious neighbours
-  15 mins to London West End
-  Over 2,500 new homes
-  8 acres of green space
-  Water features throughout
-  More than 30 residents' facilities
-  Cafes and restaurants
-  2 Tube stations at the entrance

Panoramic city views

150m of cascading water

Inspiration for unique architecture

Inspired by glazed vases, the elegant Cascades buildings sit in a tranquil part of White City Living next to the oriental water gardens. Connected by Japanese bridges spanning across reflecting pools and cascading waterfalls. This is a place of calm, with traditional oriental trees, plants and surrounded by 150m of water.

There are three superb collections of apartments to choose from. The Cascades Collection, the Reflection Collection and the Skyline Collection, each offering a different perspective of life at the Cascades. Every apartment has a balcony with some benefitting from a double height space above*.

At the base of Cascades Two is the Residents' Water Garden Lounge and Terrace with views onto the gardens, reflecting pools and cascades.

*Please speak to sales consultant for more details. **Use subject to final tenant.

-  4 unique buildings

 -  Connected to water

 -  New gardens

 -  City views†

 -  Water Garden Lounge

 -  New connections to Westfield Boulevard

 -  New restaurant destination**

 -  Oriental Water Gardens
- †Not all apartments within building benefit from view of London city.

THE CASCADES

A PLACE

Water Gardens

OF CALM

ARCHITECTURAL

“Weaving together architecture, landscape and urban design, we shape places from city to human scale – and everything in between.”

Patel Taylor Architects

Renowned architects, Patel Taylor, took inspiration for the design of these elegant buildings from the shining pavilions and Japanese gardens of the 1908 White City Exhibition. Each building has been orientated to optimise natural light and views over the city, and every façade detailed in uniquely crafted faïence. Created in rich tones and shades inspired by the colours that together define the natural palette of each passing season.

This eye-catching building features serene Oriental gardens on two sides, establishing a tranquil oasis in White City Living. The double-height space above the balconies creates a light and airy place and allows natural light to flood into the apartments.

LIFE BY THE WATER

-  150m of cascading water
-  Waterfall
-  Aquatic planting
-  Water Garden Lounge[†]
-  Natural habitat
-  3 new bridges
-  Waterside restaurant*
-  Decking overlooking the water

In this new aquatic landscape, water will flow beneath oriental bridges and over a series of cascades before finishing at a waterfall beneath the restaurant*.

Richly planted, the landscape will feature white water lilies, flowering rushes and irises. Timber decking will provide vantage points to enjoy this tranquil setting. The planting ensures that the Water Gardens will become a valuable habitat for both birds and dragonflies.

Computer generated imagery is indicative only and subject to change. Lifestyle photography indicative only. *In Cascades Two, use subject to final tenant. †In Cascades Two

 Oriental botanical planting

 Seating integrated with the landscape

 Hand-picked trees

 Quiet corners dedicated to calm

 Central lawn areas for yoga and meditation

“ Oriental plants and grasses sit beneath canopies flowering cherry trees, clipped pines and maples. In the spring the bright red flowers of rhododendrons will contrast beautifully with the forms of evergreen Japanese hollies. The Cascades are accessed by oriental bridges which according to Japanese folk law will ward off any evil spirits. ”

Murdoch Wickham

The new Reflection and Oriental Gardens curve around the Cascades creating a green contrast to the Water Gardens. Designed by Murdoch Wickham, they are a contemporary take on Japanese landscape design with pockets of planting and quiet spaces to relax.

Floorplans shown for White City Living are for approximate measurements only. Exact layout and sizes may vary. All measurements may vary within a tolerance of 5%. To increase legibility these plans have been sized to fit the page, therefore each plan may be at a different scale to others within this brochure. The dimensions are not intended to be used for carpet sizes, appliance sizes or items of furniture. Kitchen appliance/sink positions indicated are for guidance only. External cladding and window mullion locations and sizing are indicative and subject to change. Facade projections dependent on apartment locations. Balcony dimensions may be subject to change.

SPECIFICATION

KITCHEN

Interior designed kitchens in preselected colour palette*

Feature lighting above and below wall cabinets and task lighting to splashback

Kitchen cabinets in matt lacquer with tall units and shelving in gloss finish

Soft closing drawers and doors

Pendant lights over kitchen island/peninsula†

Polished composite stone worktop and matching upstand

Feature polished natural stone splashback continued above wall cabinets

Black utensil rail to splashback

Open shelving to island/peninsula†

Stainless steel undermount sink

Single lever kitchen tap in black chrome

Recycling bins to base unit

Miele black appliances

Suites include 450mm dishwasher, induction hob, hob extractor, undercounter combi oven, integrated fridge/freezer

1 Beds (as listed above for Suite) with larger 600m wide dishwasher, single oven and combi microwave

2 Beds (as 1 Bed) plus Caple 300mm wine cooler

3 Beds (as 2 Bed) upgrade to 600mm Miele wine cooler plus coffee machine

UTILITY

White finish cabinets with matching white stone worktop†

Miele washer/dryer to utility cupboard

Separate Miele washing machine and tumble dryer to utility rooms†

BATHROOMS

Interior designed bathrooms in preselected colour palettes*

Fully tiled walls and floor

Feature colour glass to vanity wall

Composite countertop, basin and shelf to bathroom

Semi-recessed basin and feature stone effect shelf to ensuite

Recess with glass shelf to shower area to ensuite

Floor to ceiling mirror flush with tiles

Mirrored vanity cabinet with shelving, lighting, magnifying mirror and lined in timber laminate

Brassware finished in black chrome

Black chrome hand towel bar, robe hooks, and toilet roll holder

Low level shower tray with shower screen to ensuite

Bath with wall mounted shower and glass screen to bathroom

Wall mounted WC with soft close seat in white finish

Black chrome ladder style heated towel rail

Feature lighting on separate switch

ELITE: 19.01 & 19.02

Bath with handheld shower to four piece ensuite*

Walk-in flush shower enclosure to four piece ensuite*

Inset bath with stone effect tile surround to four piece ensuite*

INTERNAL FINISHES

Timber laminated front entrance door with vertical feature band and matching handle in bronze

White painted internal doors and skirtings

Black chrome finish ironmongery

White painted walls and ceilings

White roller blinds within recess to all windows

Coat cupboard with shelf and hanging rail including sensor lighting

Engineered timber plank flooring throughout excluding bathroom and bedrooms

Carpet to bedrooms*

HEATING & COOLING

Underfloor heating throughout excluding some areas

Comfort cooling to all habitable rooms

Heating controls with remote connectivity

ELECTRICAL & LIGHTING

White LED downlights throughout

Black chrome sockets and switch plates

Double socket with USB charger port to kitchen and bedrooms

Provision for Sky + HD and choice of two satellite channels (either Hotbird or Arabsat)

Sky Q playback to all rooms

Provision for fibre optic broadband, BT and Hyperoptic

BEDROOMS

Fitted wardrobes to all bedrooms with lacquered hinged or sliding doors

Wardrobe internals include timber laminate shelf, metal hanging rail and sensor lighting

Light switch at bed position

ELITE: 19.01 & 19.02

Master bedroom wardrobes include timber laminate lining, shelving and drawers

SECURITY

CCTV to apartment lobby areas, car park and external areas

Colour screen video/audio door entry system

24-hour concierge service

EXTERNAL

Aluminium decking to balconies

COMMUNAL AREAS

Interior designed apartment entrance lobbies and corridors

Tiled floor to main entrance lobby

Carpet to apartment corridors

Paint to apartment corridor walls

* Material and colourways are subject to change.

† To selected apartments dependent on layout.

Location of kitchen appliances subject to change.

“The key to our masterplan is a network of gardens and water landscapes drawing on the rich history of the area. Which in turn create the perfect setting for the buildings that shape what is the residential heart of the new White City.”

Nowhere else in London is alive with new opportunity quite like the new White City.

On your doorstep more than 300 stores fill Europe's largest shopping centre. Over 100 restaurants, cafés and bars are less than a 10 minute walk away. Next door is a new hub for education, technology and innovation. Leading television studios, renowned theatres, music and entertainment venues, make this the city's brightest new neighbourhood.

Just a short stroll away is a new hub for creativity, technology and innovation. Representing industries spanning numerous sectors, including media, fashion and life sciences. Buzzing with the brightest minds, running some of today's leading edge businesses, and dreaming up the new products and services that will define our futures.

DESIGNED FOR LIFE

Designed for life

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance well-being and quality of life for residents and visitors. Where people feel a sense of community.

Customers drive all our decisions

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

Choice and diversity

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

Quality first to last

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

Green living

For Berkeley, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

Commitment to the future

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

SUSTAINABILITY AT WHITE CITY LIVING

People, planet, prosperity

Sustainability is fundamental to Berkeley's ethos. In simple terms, we want to ensure the long-term health, well-being and prosperity of people and the planet. There are a range of ways we are managing and minimising the environmental impact of our operations and delivery of homes and communities. These are the initiatives we have implemented at White City Living.

Nature and biodiversity

Parkland, trees, flowers, water features, hedges, gardens – these are the fundamentals of a thriving natural environment that can be enjoyed by everyone. They are all part of our commitment to achieve a net biodiversity gain on our developments. At White City Living we will transform a brownfield site (historically used for industrial purposes) into a brand new destination which features a 5 acre public park. We have worked with our landscape architects to introduce green spaces with extensive landscaping and tree planting. Green roofs also form part of the strategy to support local wildlife and boost biodiversity.

Waste and recycling

We actively encourage all residents to reduce their waste wherever possible. We provide integrated recycling bins within kitchen units to make it easier to separate and recycle different types of waste.

Water efficiency

Our homes are designed to high water efficiency standards and are fitted with dual flush WCs, and low-flow taps and showerheads which use less water without compromising convenience and comfort. Rainwater harvesting is also in place for the wider development, with water captured during periods of rainfall, stored underground and then used to irrigate landscaped areas.

Energy efficiency

Efficient use of electricity and gas helps lower fuel bills and reduces carbon emissions. Our homes have been designed to use less energy than a standard home. They have enhanced levels of thermal insulation and air-tightness, and have been fitted with mechanical ventilation units with heat recovery (MVHR). Each home has a smart energy meter, so residents can monitor usage, whilst all lighting is low energy and kitchen appliances are energy efficient.

Noise reduction

We can't eliminate noise, but we do consider the impact of noise in the design of our homes. We consider external noise, such as from nearby roads, and internal noise including the transfer between rooms and floors. We consider room layout and incorporate insulation to create a quieter environment wherever possible.

Clean air

It is hard to avoid polluted air, particularly in our cities. Throughout White City Living we have planted trees, shrubs and flower beds to help create a cleaner air environment. Within our homes we provide mechanical ventilation to filter the internal air, whilst the paints and adhesives used have low levels of volatile organic compounds (VOCs) to ensure a healthy indoor environment.

Sustainable transport

We provide secure cycle parking and electric car charging points to encourage the use of sustainable methods of transport. Extensive walking and cycling routes through the site also ensure easy access to bus, tube and rail links. A car club is available to residents whilst a number of Santander cycle hire stations are also located near the development.

Community & Stewardship

We want to ensure that White City Living develops into a thriving community, where people get to know their neighbours and enjoy a great quality of life. The development will have key amenities and places to meet, including communal gardens, an amphitheatre and water features, children's play spaces, a brand new supermarket, and c. 90,000 square feet of commercial and community space. White City Living will also have a community plan, and we will support the development of a resident led community committee and provide funding to run clubs and events aimed at bringing people together.

Maintaining our communal open spaces and facilities in perpetuity is an important benefit to the whole community. We work with the Estate Management Team and residents to ensure the development remains in pristine condition.

Future-proof design

From the early stages of design, we assess how our homes will stand up to the future effects of climate change, such as how they will be affected by higher summer temperatures, periods of drought, or more extreme rainfall. We are constantly researching how we can ensure our homes and developments are more resilient to these extremes to understand what new innovative technologies we should use in our future designs. Adaptation features at White City Living include green and brown roofs, rainwater harvesting and sustainable urban drainage.

TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work; embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

Please scan this QR code for more information on how we are transforming tomorrow.

OUR VISION
2030
TRANSFORMING TOMORROW

MYHOME PLUS

MyHome Plus is a new online service that is designed to help you manage key aspects of your new home at any time from anywhere around the world.

Providing you with a step-by-step guide to the buying process from reservation through to completion, moving in and warranty. At each milestone, the buying process section advises on the next steps so that you can be absolutely clear on your current position and what to expect next.

01. Filing cabinet

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

02. Meet the team

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

03. Options and choices selection

We are able to offer some choices on certain internal finishes of your new home. Whether this option is available to you will depend on what stage of construction the property has reached at the time of you making your reservation. See the next steps section for further detail on this.

04. Construction progress

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.

Next steps

01 Your Sales Consultant will send you a link that you will need to activate to access MyHome Plus. The link will require you to set a password for access.

02 Customer Service will then be in touch to invite you in to our Show Apartment to view the interior selections available for the internal finishes that you have an option to select. If you cannot make it to the appointment, the options can be discussed over the telephone and selected via MyHome Plus. Customer Service will need to receive your choices selection by the deadline date, which will be given in advance.
