Artists' impressions are drawn from an imaginary viewpoint within an open space and are intended to give an impression of the house design. Photographs are from Seddon Homes developments across the North West and are intended to show typical street scenes. Neither the artists' impressions nor the photographs are intended to give an accurate description of any specific property offered for sale, its setting or its surroundings. These do not show final details of gradients of land, boundary treatments, local authority street lighting or landscaping. We aim to build according to the layout, but occasionally we do decide to change house types, boundaries, landscaping and the positions of roads, footpaths, street lighting and other features as the development proceeds. The dimensions shown of the floor plans are approximate: each home is built individually and so the precise measurements may vary from that shown although every endeavour is made to make the dimensions as accurate as possible. We give maximum dimensions that include fitted wardrobes, sloping ceilings, bay windows and any other features.

Building special memories

Building Special Memories...

At Seddon Homes, we don't want to just sell you a house, we work hard to build homes that can be filled with happy memories. We want to let each and every one of our buyers add their own individual touch to their new home, making their home more personal to them.

Here are your options:

Making your home more personal

Lay-a-Brick

Your house-buying journey doesn't get more hands-on than laying a brick on your future forever home. Providing that your home is at an early enough build stage, with health and safety permitting, you will have the opportunity to play a small, but significant, role in the build of your house. We will photograph the occasion to give you a permanent reminder of your involvement in the building of your home.

Time Capsule

Treasure the moment of becoming a homeowner by creating a Time Capsule filled with memory-provoking items that you are happy to bury in your back garden. We will provide you with a container in which you can fill with memories that will keep for years to come. This could be anything from today's newspaper, to a polaroid snap of your household outside your new home, to a letter you have written to yourself expressing your journey to becoming a homeowner or plans for the future. We will help place your capsule in a spot that can be accessed in years to come.

Crystals

Buying a brand new home is your opportunity for a fresh start; and what better way to kick-off this new part of your life by setting out your intentions. If you are after a life that is grounded and relaxed, you will want to go with Obsidian. For a life that requires optimism, Citrine focuses on prosperity, joy and positive energy. If a new career is on the horizon, Apatite will provide you with a sense of focus, learning and clarity. These are just a few of many options. Let us know your intentions, however big or small, and we will find the appropriate crystal specifically for you, to set the right energy in your home.

N.B. Each Building Special Memories activity will be dependent on build-stage.

Q. How does it work?

A. Once you have selected your new Seddon home and paid the refundable deposit our Sales Advisor we will arrange for House To Home to contact you to complete a property information form who will then contact you to arrange a convenient time to value your existing property.

During this time the new plot will be withdrawn from sale for your peace of mind. Once the valuer's recommendations are to hand, a member of the House To Home Team will make contact to discuss with you the property valuation. If agreeable your new home will then be held for four weeks, to find a buyer for your home. If after four weeks no buyer has been found we will ask you to consider a price reduction to reserve your new home for a further two weeks pending a suitable buyer being found.

Q. What happens when a buyer is found?

A. Seddon Solicitors will issue contracts to your solicitors on the basis of exchange within 28 days. A provisional or fixed moving date will be agreed at this point dependent on the build stage of your new home.

Our Sales Advisors are on hand to answer any further questions you may have.

'Help2Move' could be just what you need to get you moving quickly.

Q. What happens if a buyer is not found within the period?

A. Our Sales Advisor will review the situation with you after four weeks of the reservation period and agree a revised action plan. After a further two weeks, your reservation will be cancelled if we cannot mutually agree on the best way forward for both sides.

Q. What happens to my reservation fee?

A. The Reservation Fee is refundable if no suitable buyer is found and you are unable to then proceed to a full reservation. In the eventuality that you do not proceed in buying a Seddon home, you will be fully responsible for all estate agent fees and costs.
