# Park Nook Barn

Ranton, Stafford, ST18 9JU

£600,000

**A rare opportunity to acquire such a competitively priced barn conversion with such excellent equestrian facilities. In total the whole site extends to approx. 5.3 acres enjoying some beautiful rural views.**

Accommodation - Step inside the reception hall with a quarry tiled floor, built in cupboard and vaulted ceiling. A cloakroom leads off with a WC and wash basin.

The charming lounge is dual aspect having a beamed ceiling, wooden floor, a cast log burner and double French style doors opening to the sun terrace and garden beyond. A separate study has a lovely vaulted ceiling.

The excellent dining kitchen has an attractive range of units complemented by contrasting granite work surfaces, a Belfast style ceramic sink, tiled splash backs and a tiled floor. Leading off is a very useful utility room.

The first floor is accessed via two separate flights of stairs. A gallery landing leads to two of the bedrooms, the principal bedroom has the benefit of its own en suite having an oval wash basin on a stand, WC and a shower with both conventional and waterfall heads.

The second landing area leads to the third bedroom.

The property is initially approached via a drive shared with three neighbouring properties which in turn leads to its own very spacious gated drive capable of parking numerous vehicles. An enclosed track leads to the brick stable block, paddocks and outbuildings.

To the rear is a lovely sun terrace and attractive traditional lawned garden beyond that extends to the side including multiple raised beds, a large greenhouse for garden enthusiasts and some excellent productive garden areas. In addition there is a superb secluded orchard with multiple established fruit trees.

The paddocks extend to the side and rear of the property which incorporate a 30x50m sand ménage and a natural wildlife pond surrounded by mature English Oak and Willow trees.

The excellent range of outbuildings comprise a brick stable block with six stables and further space for tack or other equestrian uses, a large dutch barn, part of which is enclosed and a separate and particularly spacious tool shop/workshop. Mains power, light and water is serviced in all the outbuildings and two floodlights provide light into the turnout space. From this area there is direct access to the paddocks making a really outstanding facility that is very much self contained.

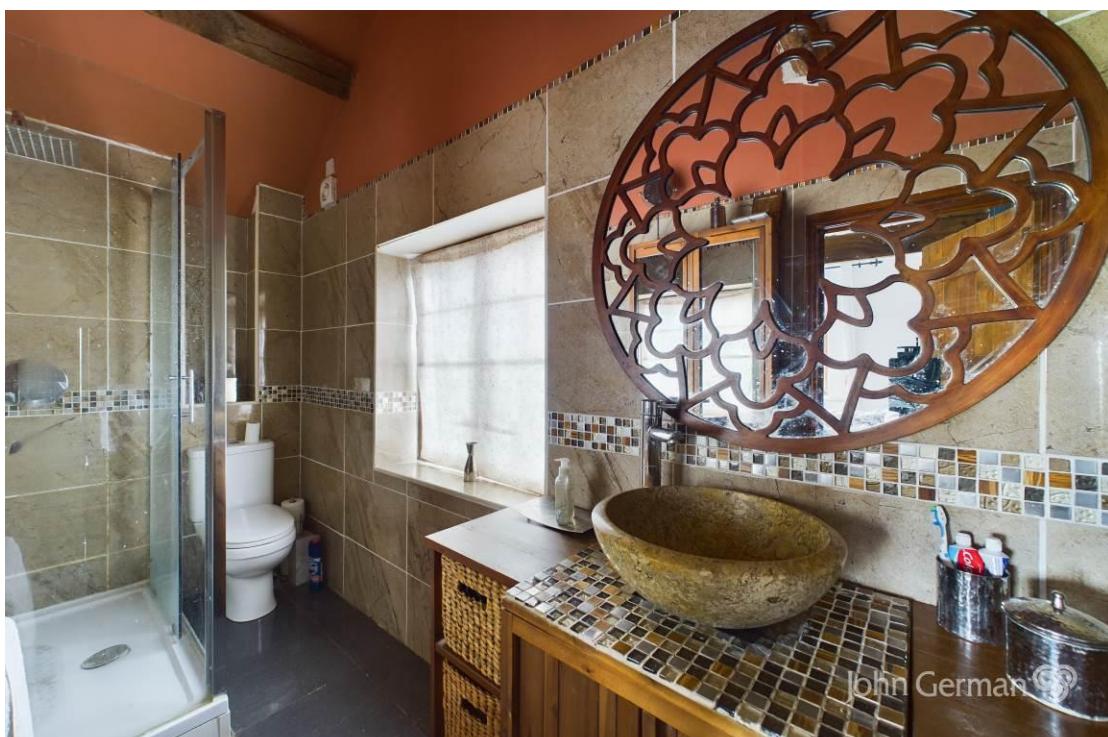

The property is situated on the rural outskirts of the village of Ranton that is idyllic yet still very convenient for modern life as it is within easy access of junction 14 M6 providing direct links into the national motorway network and M6 Toll. The county town of Stafford has an intercity railway station with regular services to London Euston, some of which take approx. one hour and twenty minutes.
