Description

This is a lovely home, particularly ideal for a young family, as the location is great with Meadowside Park just a stone's throw away for you to enjoy the Sunday Park Runs and other community events that are held annually. For those wanting to enjoy an evening out, you can leave the car at home and enjoy many of the eateries, or a night at the cinema – there's so much choice!

Opening into the hallway with stairs heading up, a practical light grey oak-style floor runs into the downstairs cloakroom, which has a window and a white suite. The sitting room has an understairs cupboard and an archway leads to the kitchen dining room.

With this favoured design layout, it is perfect for entertaining in the summer months with French doors from the dining area leading directly into the garden and is also ideal for simultaneously cooking the family meal whilst watching over the children doing their homework up at the breakfast bar! The light grey Shaker style kitchen has been thoughtfully planned to include a bin and corner carousel cupboard, plus handy pan drawers, as well as the butler's sink which overlooks the garden. An integrated double oven, gas hob, extractor and dishwasher are fitted with a butcher's block work top, finishing the look with pretty brick-style splash backs. The boiler has recently been replaced too.

Upstairs, the landing window adds extra light, there's access to the loft which is part boarded with a ladder, and an airing cupboard. The family bathroom has a white suite with an electric shower over the bath. The main bedroom has a double wardrobe with additional storage, the second is a large double and the third also has storage space.

Outside, the west-facing garden wraps around the side of the house with a gate for access and a personnel door to the garage. The garden is laid with artificial grass for ease and for year-round use to play in.
