Heage Windmill

PERFECTLY PLACED FOR LOCAL DAYS OUT OR ADVENTURES FURTHER AFIELD

Nestled within the beautiful rural region of Derbyshire, and between the historic towns of Ripley and Alfreton, Lily Street Farm features a collection of charming, sought-after homes, well suited for commuters.

Its close proximity to the A38 provides convenient access to cities such as Derby, Nottingham and Chesterfield, providing a cultural break where our homeowners can benefit from an abundance of shops, restaurants and attractions.

The history of Swanwick dates back to the early 14th century, and its name is stemmed from the Old English "Swana" denoting herdsmen, and "wic" meaning a collection of structures. The village is now divided, with a characterful mixture of old and new architecture.

The picturesque village of Swanwick is a great base to explore the nearby Peak District delights, while affording commuters with access to major cities. The location offers a welcoming home to unwind in the scenic Amber Valley countryside.

Close by is the East Midlands Designer Outlet, with more than 65 stores, it is renowned in the Midlands as the leading designer outlet where shoppers can enjoy a wonderful day out with the entire family.

For history buffs, Heage Windmill is a must-visit attraction as the 18th Century structure is the only surviving six-sailed, stone-built windmill in Britain. Visitors can purchase freshly stone-milled flour from its onsite shop, after exploring the historical structure.

Only a short drive away, Crich Tramway Village transports visitors back in time, complete with pub and sweet shop selling traditional treats. Many of the buildings along the street have been rescued from towns and cities across the UK - lovingly recreated, to give a sense of nostalgia.
