YOU'RE IN CAPABLE HANDS

Choosing to buy a new Bloor home eliminates many of your worries. With no repairs or renovations to do, you will be able to enjoy spending more quality time with your friends and family.

We hope you will never need it, but that doesn't mean we don't understand the peace of mind that comes with having an insurance backed 10 year warranty from the NHBC.

As well as our own rigorous checks carried out during the build process, the warranty provider will also carry out their own inspections on your new home, ensuring that it's built to the high quality we pride ourselves on.

We'll work hard to make sure you know exactly what to do and when to do it. That way, you'll have all the information you need to hand.

Simply follow our step by step guide and know that we'll be here to answer all your questions. The first step to making your move, is deciding if new is right for you.

And what's more, we'll keep on looking after you and your home after you've moved in.

Most of us don't regularly buy a new home, so it's no wonder it can seem a little confusing at times. But it's not as scary as you might think, we'll hold your hand through the entire buying process. After all, we've been doing this for fifty years.
