This very appealing semi-detached cottage is the perfect blank canvas for someone looking to make their country home! Built, we estimate at the start of the 20th century and requiring modernisation throughout, the house stands in a generous garden plot (approx 1/6th acre and length approx 47.5m/155ft) approximately 1 mile down a lane that leads only to other farms and cottages and is surrounded by open and rolling countryside. Epping Upland is a rural setting of individual homes and is well placed for access to Epping (approx. 3.5 miles) and its Central Line Station (approx. 4 miles).
