13 Smiths Farm is an attractive detached chalet residence set in a private residential cul-de-sac, adjoining open farmland with direct access to Nine Barrow Down. It is about half a mile level distance from the town centre and Swanage Beach. Smiths Farm was built in 2019 by a reputable local developer and is of traditional cavity construction with external elevations of part Purbeck stone, the remainder being brick, cement render and natural timber under a pitched roof covered with red tiles.

It offers immaculately presented, spacious family accommodation with considerable advantage of an open plan kitchen/dining room spanning the entire width of the property with wide double doors opening to the enclosed rear garden, three double bedrooms and parking for two vehicles. Swanage lies at the Eastern tip of the Isle of Purbeck delightfully situated between the Purbeck Hills. It has a fine, safe, sandy beach, and is an attractive mixture of old stone cottages and more modern properties, all of which blend in well with the peaceful surroundings. To the South is Durlston Country Park renowned for being the gateway to the Jurassic Coast and World Heritage Coastline.
