Situation

Number 6 Bedford Close, has been the subject of much improvement by the present Vendors improving the insulation and double glazing, there is cavity wall insulation and a new plumbed in boiler which will all help to improve the efficiency of the property. The front garage has electric roller door and there is now an addition of a cloak room with shower to the back of the garage, there is rear hallway that leads out to covered garden area and a garden room being part of a new workshop which has been added to the property. The garden has been landscaped and there is rainwater collection to the rear and neat frontage to the house provided off-road parking. The kitchen has been re-designed and gives access now to the cloak room and the garage.

In all, a very well put together property that needs to be viewed to avoid disappointment.

The market town of Pershore is approximately 5 miles distant traveling North being a Georgian style and provides high street shopping facilities and supermarket together with a leisure complex. The river Avon runs to the east of the town lending itself to scenic walks and leisure pursuits. There are two medical centres and hospital and town library, together with excellent educational facilities within the area. Pershore has Number 8 which is run by voluntary help and provides theatre activities, a cinema, ballet and yoga classes and is very much a part of Pershore community living.

Off Station Road there is the railway link to London Paddington or Worcester Shrub Hill travelling onto Birmingham. The motorway is approximately nine miles distant at Worcester junction 7 bringing Birmingham to the north and Bristol to the south within commutable distance. Other main centres are Stratford-upon-Avon with the theatre and racecourse, Cheltenham with National Hunt horseracing and the Everyman Theatre and major main shopping, Worcester with famous Cathedral and equally famous cricket club together with the River Severn and good shopping centre.

The new Worcestershire Parkway Station has been developed to improve the access and destinations to the southwest, the northeast, London and the Thames Valley. So significantly enhancing Worcestershire's connectivity to outlying regions.
