Thornwood, Le Petit Catillon

Grouville, Jersey

A truly exceptional property sitting in an elevated rural location with views to Mont Orgueil Castle and the French coast beyond. The property has been in the same ownership for over 20 years and has recently been redecorated throughout to a high standard.

Rooms are all of sizeable proportions and flooded with natural light. The front door from the huge parking area opens in to a very large entrance hall with all the living accommodation on that level. A newly installed picture window takes full advantage of the views and fully glazed doors open onto a balcony/sun terrace.

The main house features 4 double bedrooms, 2 of which are en suite and 2 studies. All bedrooms have access to the outside of the property and are at ground floor level.

A detached 2 bedroom cottage was created within an old granite barn and is situated at the end of the garden. The accommodation here is over 800 square feet and is perfect for rental, holiday accommodation or guests as is very modern and well presented.

The surrounding gardens are well maintained and all is extremely private. The property is located just a short stroll from the picturesque Queens Valley reservoir with its attractive walks a stunning scenery. A great location that is not only private but also convenient.
