# 12 Van Mildert Close

A rare opportunity has arisen to purchase a substantial 4 Bedroom Detached Family Home, situated within the much sought after Bracks Farm development, approximately 1.5 miles from Bishop Auckland town centre, offering a range of schools, shopping and recreational facilities.

The growth in popularity of property in this area in recent times reflects the combination of tranquil surroundings combined with accessibility and ease of commuting, the A688 trunk road giving direct access to the A1M for travel both North and South.

The property is a credit to the current vendors who have extended the house to create a superb family home. Warmed via Gas Central Heating and benefitting from uPVC Double Glazing, the internal layout briefly comprises; Entrance Porch, Hallway with staircase rising to the first floor, Ground Floor Cloakroom/Wc, Four Reception Rooms and a Fitted Kitchen.

A Utility Room is accessible from the rear garden. To the first floor there is a Family Bathroom and 4 Bedrooms, the Master of which has En-Suite Facilities. Occupying an extremely generous plot the property boasts an extensive paved driveway, providing added off road parking for a number of vehicles, including a caravan or motor home, leading to a detached Garage. To the rear, an enclosed landscaped garden.

In our opinion this property, which is offered for sale with no onward chain, would make an exceptional family home and therefore only an internal inspection will truly suffice to fully appreciate the accommodation on offer.
