# / about Peel Waters

TraffordCity is managed by regeneration specialists, Peel Waters, part of the Peel Group.

**Peel Waters** is a UK wide portfolio of vibrant and innovative, waterfront developments. Each site is developed to regenerate its unique waterside setting, ensuring that the area is once again a thriving, community-led, world class destination.

The Peel Waters portfolio started with the design, creation and delivery of MediaCity at Salford Quays and over £750million has been invested into Peel Waters to deliver these large-scale regeneration projects, creating jobs, economic growth, new homes and new public realm across the country.

[peelwaters.co.uk](http://peelwaters.co.uk)

Peel acquired the TraffordCity site in 1986 and formally developed and managed The Trafford Centre, the UK's most successful shopping centre, and then continued to develop the wider TraffordCity area.

Our vision has always been to create the UK's foremost shopping, leisure and sporting destination and is already recognised as one of the most exciting clusters with an exciting future and a further £2.6 billion of investment.
