# Darraway Gardens

Chellaston, Derby, DE73 5AA

£575,000

Stunning premium detached with accommodation over three floors located in a lovely tucked away position at the head of a quiet cul-de-sac. Fabulously proportioned accommodation and a modern family friendly layout with room for larger gatherings as well as private spaces to relax.

Built to one of the best home designs on this highly regarded development having been impeccably kept and improved over recent years with the addition of a new kitchen and utility room, upgraded windows and external doors, and the addition of solar panels with battery storage which makes a huge difference to the cost of running such a sizable home.

To describe the home in more detail starting at the front, entrance into the property is via a storm porch which leads into an impressive main hallway. Stairs lead to the first floor and there is a feature two storey window overlooking the front elevation.

The guest WC is located off the main hallway and is fitted with a low flush WC and wash basin.

The main living room has a lovely double aspect with French doors opening out onto the rear garden. A modern fireplace forms the focal point to the room and double doors lead directly into the dining area allowing a free flow throughout the main ground floor living spaces.

The open plan dining kitchen has been refitted with a range of contemporary contrasting units with granite worksurface that extend to form a peninsular breakfast bar, matching upstands and a one and a half bowl sink unit. Appliances include an eye level combination oven / microwave / grill mounted above a second oven with a slide and hide door and a warming drawer. To the left is an induction hob and extractor hood mounted above. There are also an integrated dishwasher and fridge freezer. The kitchen overlooks an open plan dining area with bi-fold doors opening out onto the rear patio.

The utility room is located off the kitchen and has also been refitted with matching units and granite worktop with an inset Belfast sink, plumbing for a washing machine and a side entrance door that opens to the side patio.

Finally on the ground floor there is a second reception room currently used as a cloakroom, originally intended as a study or snug fitted with very useful storage cupboards with hanging space for coats that could be easily repurposed as an office for instance if required.

On the first floor the partly galleried staircase leads to a central landing with a second set of stairs rising to the second floor, doors lead off to the three first floor bedrooms as well as the main bathroom.

The main bathroom is fitted with a full four-piece bathroom suite comprising low flush WC, wash basin, panelled bath and a separate shower enclosure.

The master bedroom has an archway leading through to a dressing room with recently refitted wardrobes and access to the en-suite shower room fitted with a large shower enclosure, wash basin and a low flush WC.

Bedroom two has fitted wardrobes and overlooks the front elevation, and bedroom three is also a double room and overlooks the garden.

On the second floor the landing leads to the remaining two bedrooms and a second-floor shower room fitted with a low flush WC, wash basin and shower enclosure.

Bedroom four makes a luxurious guest bedroom with a dormer window, Velux skylights, fitted wardrobes and under eaves storage. Bedroom five is also a large double used currently as a home office, also with Velux skylights and under eaves storage.

Outside the property is located off a private driveway shared with just one other property with a tree lined outlook. The front garden is designed for easy maintenance with a double width driveway providing ample parking and access to the double garage via an electric door having an EV charging point and battery storage. Gated access to the side leads into the spacious corner plot with useful gravelled storage space to the rear of the garage where there is a timber garden shed. To the side of the house is a spacious and sheltered patio which is a great spot for BBQ's with access into the house via the side entrance door. The patio extends around the rear of the property leading onto a lawn with slate borders featuring strategically planted shrubs providing a good degree of privacy. There are also fixings in the lawn for a sun sail as it is a southerly facing garden.

Darraway Gardens has easy access to a range of amenities, including shops, schools, greenspaces and parks, transport links via infinity way to infinity business park and Rolls Royce, via the A50 to Nottingham and Uttoxeter and Stoke the M1 and East Midlands Airport.
