

Scotland Bridge Lock, West Byfleet

DESCRIPTION:

Upon entering the vessel there is a double aspect open plan kitchen/living space currently with a central table able to accommodate 8 places comfortably. From the lounge space there is access to the second bedroom.

From the kitchen space a hallway leads to the bathroom and the 21ft double aspect main bedroom also with WC (in addition to the bathroom).

The ceilings have a characterful wood cladding with exposed trusses and the double aspect nature of the orientation gives excellent natural light.

To the outside, the gated garden offers seclusion and space with a large original railway carriage outbuilding and a separate studio outbuilding. There is lawned garden with raised decking to one end together with a garden store and wooden lattice gazebo.

The residential mooring has 13 years remaining of the original 25 year term and the mooring fees are £412.50 per month. There is main sewage, electricity and water with a carpark for residents use a four minute walk away. In our opinion this makes for a superb investment with potential to improve the existing vessel and enhance the outbuildings to create even more of a wonderful space.

We would strongly suggest arranging to view this home to fully appreciate all that is on offer within this picturesque setting.
