Back Lane, Hilton

Mikaela says:

This really is the ideal family home. There's a nice spacious hallway as you walk in through a handy porch (plenty of space for coats and shoes!) leading through into a light and spacious lounge through diner. The bifold doors out onto the wide and private garden are a real bonus! It would be lovely to have those open in the summer months. There's a modern and well thought out breakfast kitchen with the benefit of a separate utility room for your appliances and even more cupboard space. There's a handy sink in there too, as well as access to the back of a part converted garage for even more storage! Upstairs is perfect for a growing family, with 4 fantastic double bedrooms, bedroom one having an en-suite, and a good sized single, as well as the family bathroom which has a P shaped bath for even more showering space. My favourite thing about this home is its kerb appeal! It holds such a presence with its large driveway and double garage. The EV charger is an added bonus too!"

A message from the seller:

"Well, where have those 15 years gone? This beautiful house, our home, has served us so well, not once have we needed more! There's great play parks and football pitches, local shops and more on the way! Parish and community hall, all within minutes from the front door, as well as having lovely long term neighbours. Now our family is grown and had the best start in Hilton we could provide, it is time for someone else's turn to enjoy everything this home has to offer!"
