Alberton House La Chasse

St Helier, Jersey

A delightful and extremely well maintained period property located in a very quiet one way street on the outskirts of town. The current owner has lovingly maintained the property with the installation of a new kitchen in recent years. To the ground floor, as well as the kitchen, are 2 decent reception rooms.

Upstairs are 4 double bedrooms with the main having a very large and tasteful ensuite. There is also a house bathroom. All the accommodation is in very good order.

From the living areas there is access to the gardens which are elevated to enjoy sunshine virtually all day. A very spacious double garage completes the package.

The location is such that all amenities are within walking distance and, despite being able to house 2 cars, you will seldom need to drive.

Book your appointment to view by calling the owner's joint sole agent, Broadlands.
