Common Lane

Kings Langley

Proffitt and Holt are delighted to offer to the market this five bedroom detached family residence located in a highly exclusive and very private setting on arguably Kings Langley's most desirable road, Common Lane – just a two minute walk to the village High Street.

The property has been tastefully modernised by the current vendors and is in excellent condition throughout offering an abundance of both flexible and versatile accommodation set over three floors.

Externally, the property excels with ample parking to the front of the extensive driveway which due to the position of the property, widens as you approach. The garden is a undoubtedly feature of this property and a real 'must see' to be fully appreciated. Again, benefitting from a widening plot that opens up and wraps around the property, the garden has been fully landscaped and boasts various 'areas' including a generous paved patio seating area – ideal for entertaining, a family friendly play area with artificial lawn and climbing frame, and a fully powered garden room which could be used as a home office/games room/gym or additional living space.

To arrange an internal inspection please contact leading local agent Proffitt and Holt.
