21 Farrar Drive

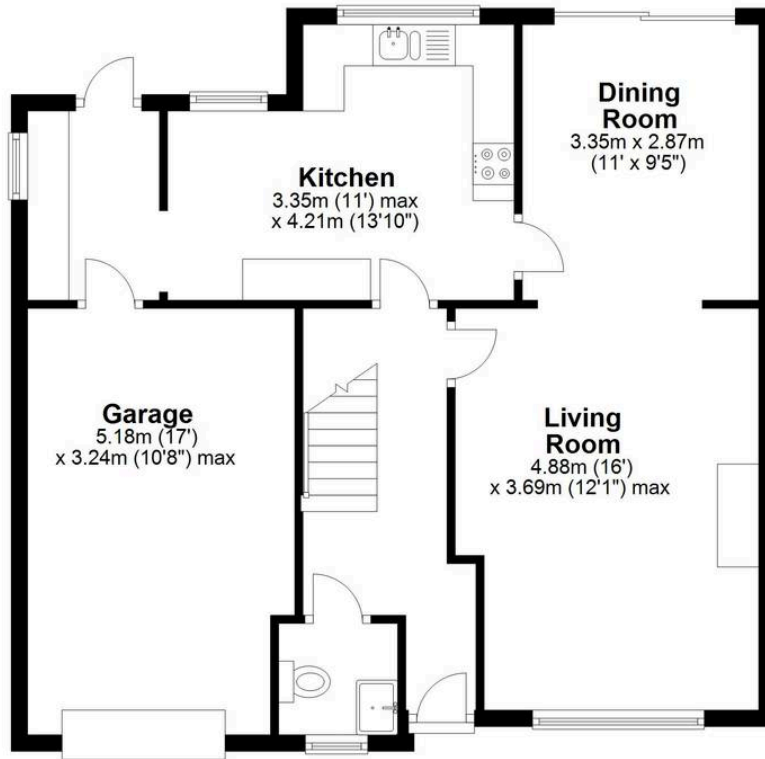

Marlborough, Marlborough

Situated on a desirable corner plot overlooking green space, this well-proportioned four-bedroom detached family home, built in the 1990s, is constructed of red brick under a tiled roof and benefits from UPVC double glazing throughout. A newly laid block-paved driveway provides parking for two cars and leads to an integral garage with power. The spacious ground floor offers a kitchen with a range of wall and base units, storage, and space for dining, complemented by a practical utility room with access to both the garden and garage. A downstairs WC adds convenience, while the open-plan sitting room, featuring a bay window, flows seamlessly into the dining area, where French patio doors open onto the east-facing rear garden. The first floor boasts a generous master bedroom with an en-suite shower room, two further well-proportioned double bedrooms, a comfortable single bedroom, and a family bathroom. The enclosed rear garden is well-maintained, featuring a patio, lawn, stone area, mature borders, and a shed, all surrounded by a combination of fencing and brick wall, offering privacy while enjoying open countryside views. While the property would benefit from some modernisation, it presents a fantastic opportunity for buyers to personalise and create a wonderful family home in a sought-after location.
