Kineton is a popular well served village with a number of shops for daily requirements including post office, general stores, bakers and pharmacy. Within the village there are Parish, Roman Catholic and Methodist Churches, as well as a doctors' surgery, public house, sports club, and both primary and secondary schools. The village enjoys a close, active community with families, professionals, retirement and second homeowners, drawn to the village with its facilities and location.

The surrounding countryside offers walking, cycling and riding. The Cotswold Hills lie to the South and nearby Stratford upon Avon, Banbury, Leamington Spa and Warwick offer a wide range of shopping facilities and supermarkets.

The village is well situated for commuters to London and the West Midlands with the M40 at Junction 12 and the mainline railway to London Marylebone takes approximately 1 hour from nearby Banbury.

Wellcroft House forms one of a pair of semi-detached two-storey houses with a staggered foot print, finished with an attractive brick under a pitched roof.

The property is completed with flooring and decoration throughout, with a range of integrated Siemens kitchen appliances, contemporary bathroom sanitary wear and the latest Mitsubishi air source heat pumps with pressurised hot water cylinder, underfloor heating to the ground floor and radiators to the first floor. Fitted modern high-quality German kitchens are finished with sandstone/quartz worktops with matching up stands. Each property benefits from fibre broadband connection, EV charging and three phase electricity supply.

SPECIFICATION
