SITUATION & DESCRIPTION

The property is situated in the top corner of a popular development within close walking distance of the town centre and the primary and secondary schools. The market town of Tenbury Wells offers many facilities including a variety of supermarkets, shops and services, a library, a doctors' surgery, a cottage hospital, cinema, swimming pool and gym, primary and secondary schools, and a range of clubs and societies.

2 Greenhill Gardens is a link-detached bungalow constructed circa 1990 of brick elevations under a tiled roof, with the addition of a conservatory overlooking the rear garden. The property is in good decorative order and benefits from a modern kitchen and shower room suite, UPVC double glazing, gas fired central heating with a Worcester combi boiler, attractive level gardens, driveway parking and an attached garage. The property is offered with no upward chain.

ACCOMMODATION

A canopy porch over the entrance door opens into the entrance hall with a cupboard housing the Worcester combi boiler, with shelving and hanging space. The kitchen has a range of white laminate fitted units incorporating a stainless steel sink/drain, with integral appliances including a fridge, dishwasher, electric oven, microwave, ceramic hob with extractor hood over, and with a part glazed door to the conservatory. The living room has a coal effect electric fire with a painted wood surround, and sliding patio doors opening onto the garden. There are two double bedrooms, the larger of which has fitted wardrobes. The shower room has a dual head thermostatic shower in a large cubicle, a pedestal basin, wc, integral shelving and a heated towel rail.

OUTSIDE

The property has ample parking space on the tarmac driveway leading to the attached garage with an up and over metal garage door, fitted base units incorporating a stainless steel sink/drain, plumbing for a washing machine, space for a tumble dryer and a fridge/freezer, and a part glazed door to the conservatory.

The front garden has a gravel area with space for pots, an ornamental tree to the centre, and flower borders. The enclosed south-west facing rear garden is deceptively long and incorporates a patio al fresco entertaining area, a timber store and potting shed, and gravel paths meander through attractive and established shrub and flower borders, past a pond and greenhouse, to a 'wild' garden area beyond.

SERVICES

Mains water, drainage, gas and electricity are connected. Gas fired central heating.
