Ducks Walk, Twickenham

DESCRIPTION:

An exceptional opportunity to acquire a wide residential mooring on the sought-after main stream of the River Thames, offering a distinctive blend of tranquil waterside living and outstanding investment potential. Spanning approximately 38 ft. in width, this rare mooring includes two characterful houseboats currently arranged as three self-contained dwellings, set within a peaceful riverside location and complemented by a generous garden plot.

The Inner Houseboat is the largest of the two, arranged over split levels and offering spacious, well-designed accommodation. It features a bright and airy 22 ft. open-plan kitchen and reception room, two double bedrooms, a stylish shower room, and two private outdoor spaces: a sunny 12.5 ft. x 9.11 ft. terrace with stunning river views and a separate 10.8 ft. x 6.10 ft. deck—perfect for al fresco dining or quiet reflection by the water.

The Outer Houseboat is cleverly divided into two single-storey studio units, each with its own open-plan kitchen/reception space, separate bedroom, and shower room. Both enjoy access to a substantial shared 33 ft. x 18 ft. terrace, ideal for soaking in panoramic views across the Thames.

Included with the mooring is a 48 ft. x 37 ft. riverside garden plot, currently used as a communal green space for the two houseboats. This area also hosts two useful storage sheds with plumbing and electricity, as well as a 10.1 ft. x 7.2 ft. utility room—adding valuable amenity space to the property.

This versatile offering presents multiple possibilities:

- A ready-made rental investment with three income-generating units
- The opportunity to add a third houseboat to the outer mooring (subject to the necessary consents)
- A blank canvas for a visionary buyer to create an extraordinary single riverside residence or a stylish commercial enterprise

With its blend of lifestyle appeal, prime river frontage, and flexible usage potential, this is a truly unique opportunity to secure a slice of riverside living with the scope for future enhancement or development.
