DESCRIPTION

A rare opportunity to acquire a residential development site extending to approximately 718 sq. m. (0.179 acres), situated in a desirable town-centre location. Planning permission has been granted on 25th June 2025 under the SKDC planning reference number 'S24/1704' for the construction of five new residential dwellings - four four-bedroom houses and one two-bedroom flat.

The proposed development has been carefully considered to maximise the site's potential, with a layout that makes efficient use of the land while respecting the character of the surrounding area. The site is conveniently situated within easy walking distance of shops, schools, public transport, and local amenities, in a sought-after residential location.

PLANNING PERMISSION

Further details of the Planning Permission can be downloaded from the South Kesteven District Council website by searching the Planning Reference (S24/1704). The Decision Notice was dated 25th June 2025, and states that development should commence within 3 years of 25th June 2025.
