## The property:

Let Bronze Brow transport you to a place that feels utterly magical and truly special, it will surely captivate your heart, your imagination and you will likely never want to leave, this is where decadence meets peace and tranquility.

This characterful cottage oozes charm and sophistication, it screams chocolate box cuteness from the first impression as you arrive, but do not be fooled into thinking there is not a wow factor waiting to hit you as you enter...

The open plan living space has been meticulously designed to flow from cooking to dining, relaxing to snuggling. Pulling the outside in through the rear glazed gable end, the lofty height of the vaulted ceiling and Velux roof lights to let the sun, moon and stars into your world and the cosy snug with log burner all ready to set the perfect ambience no matter what your mood is. The mezzanine art studio is the only first floor room and awaits your interpretation of how it should be utilised. Meanwhile there is a double bedroom, the main bathroom and a gym / office / third bedroom as you walk along the hallway, heading for the sheer delight of the master suite. What a sweet suite it is; the dual aspect double bedroom has open countryside views and a patio door giving direct access to the rear garden, the exterior is trailed with a prolific flowering wisteria and gives strong Mediterranean feels like you're in a far away movie set.

The property, cont..

This dreamy feeling only intensifies when you walk into the spectacular dressing room, with three walls of built in wardrobes and storage and another door leading into the en-suite, complete with freestanding bath and a separate shower cubicle. The gardens have been professionally landscaped to maximise the benefits of the glorious open countryside views, with the southerly aspect and thoughtful planting and clever columns and 'crumbling' arched brickwork you'd be forgiven for feeling like you were in rural Italy.

Bronze Brow; is your heart racing with excitement yet?
