Langley Lane

Abbots Langley

A rarely available 3 bedroom semi-detached family, within a short walk of local Schools, shops and parks. Having been extended previously to the rear, there is an abundance of potential to extend further, if desired (STPP).

Briefly, the accommodation consists of a welcoming entrance hall with doors leading to both the living room and kitchen. The kitchen itself offers plenty of worktop and cupboard space, and also incorporates a seating area. The living space is made up of 3 separate rooms, which all flow together nicely and can be shut off or left open, depending on the owners needs. Additionally, there is a utility room and downstairs W/C positioned at the rear of the large garage.

To the first floor, there are 3 well appointed bedrooms and a family bathroom with separate toilet. The bathroom itself offers both a standalone bath and separate shower cubicle. 2 of the bedrooms are generous doubles, both with fitted wardrobes.

Externally, the West-facing rear garden is particularly private and is predominantly laid to lawn with established borders. To the front, there is a neat driveway with off street parking for multiple vehicles and access to the garage, which offers further parking, excellent storage or potential to convert to living space (STPP).

Viewing is highly recommended.
