Description

Originally designed as a three-bedroom unit, this home has been thoughtfully reconfigured to create a light and spacious feel throughout.

The living room is a standout space, with windows to either side allowing natural light to flood in and French doors opening to the private rear garden area – perfect for relaxing or entertaining.

The kitchen offers plenty of cupboards, finished in a bold Cadbury’s purple for a splash of personality, and comes with a freestanding cooker.

The bedroom is a generous double with fitted wardrobes along one wall, while the bathroom is exceptionally large, featuring both a bath and a walk-in shower, making it especially suitable if you require easier access.

Outside, the home has been updated with stylish grey composite cladding and a brick skirt, improving both its insulation and kerb appeal. The rear garden area is laid to patio, low-maintenance in design, and benefits from a concrete shed for storage. Parking is available for one car directly alongside, and there is ramped access to the entrance for ease of use.
