Hest Bank is a picturesque and peaceful village situated along the Morecambe Bay coastline, just a short drive from Lancaster city centre. Renowned for its scenic coastal views and tranquil surroundings, the village offers a strong sense of community and a semi-rural charm. It benefits from excellent local amenities including a popular pub, local shops, and well-regarded primary schools, while also enjoying easy access to the M6 and the West Coast Main Line via nearby Carnforth station. With the Bay's tidal sands, countryside walks, and canal paths on the doorstep, Hest Bank is a desirable location for families, retirees, and professionals seeking a blend of coastal and country living.

Set back from the road, the property is approached via a generous driveway with ample off-road parking and steps leading to the front entrance. Inside, a large and welcoming hallway features original dark wood panelled walls, integrated storage, and elegant ceiling coving. The living room benefits from a front aspect window that floods the space with natural light and a wood-burning stove, creating a warm and relaxing atmosphere.

The heart of the home is the bespoke kitchen, fitted with soft taupe gloss units, quartz worktops, a central island with breakfast bar, and high-spec Siemens appliances including twin ovens, warming drawers, a microwave, and a 5-ring induction hob. A rear window offers views over the garden, filling the kitchen with light. A separate utility room provides further storage, appliance space, and access to a ground floor WC, the internal garage, and rear garden.

The integral garage is fully equipped with worktops, a stainless steel sink, and space for both washer and dryer. Completing the ground floor is a formal dining room with a rear bay window overlooking the private garden.

Upstairs, the principal bedroom overlooks the garden and includes fitted wardrobes. Bedroom two is a spacious front-facing double with integrated storage and a dressing area, enjoying views over the bay. Bedroom three is also front-facing with bay and field views, while the fourth bedroom is a single with a side aspect. The first floor is serviced by a stylish modern shower room, a separate family bathroom with fitted bath, and an additional WC. A small study space and two storage cupboards are located off the landing.

Externally, the rear garden is beautifully landscaped with a dual-level lawn, paved walkways, mature borders, a shed, and boiler house. The garden is private, gated, and secure, perfect for children or pets.
