## 7 Hawksdale Pastures

### The Property

**The Hayloft** offers not just a home, but a peaceful retreat where birdsong replaces traffic noise and where at the bottom of the glorious tiered garden, you can sit by the pond as the gentle trickle of Gill Beck soothes your senses. Every moment here invites calm, reflection, and connection with the landscape around you. This is more than a property, it's a lifestyle, one that promises simplicity, tranquility, and the chance to truly unwind. A beautifully crafted barn conversion, **The Hayloft** offers spacious accommodation filled with character and charm, seamlessly blended with a modern, practical layout. The entrance hall gives a hint of what's to come, with a glazed side panel offering a glimpse into the impressive open plan, split level living space. But before that, you'll find a dedicated home office, two generous storage rooms, a cloakroom WC, and a large lounge featuring a full height floor to ceiling window and a sandstone feature wall with stove, a cosy yet striking space.

Now, the show stopper is without a doubt the split level family room that provides plenty of space for living and dining, entertaining and dancing, plus cooking as the kitchen also enjoys its share of this beautiful space, with vaulted ceiling, exposed beams, patio doors and windows pulling the outside in, it's absolutely the kind of room where you'll want to linger, from quiet mornings to lively evenings.
