Manderley Primrose Hill

Widmer End

Sitting on a superb plot, is this 1950's, detached bungalow with three bedrooms and no chain!

A rare opportunity to purchase this 'one owner' bungalow, built by the family of the original owners in the 1950's. The bungalow is situated down a long drive and sits in a large plot, which offers scope for extension and improvement, subject to planning permission. The property is well maintained and features gas fired radiator central heating and sealed unit double glazing. The accommodation feels spacious and airy, and the accommodation from the entrance vestibule is the good size hallway, a bow windowed living room, three good bedrooms and a white family bathroom. The well fitted kitchen has space for a small breakfast table and has access to the side/rear gardens. As mentioned, the large plot is fabulous and includes a large workshop/garage and summerhouse. No Upper Chain!
