Your home buying journey

From your first call right through to collecting your keys, our friendly consultants are here to help you every step of the way, ensuring your home buying experience is as smooth and enjoyable as possible. Whether in person or online, we're committed to making sure you find the perfect home and the buying option that suits you best.

Outright sale

Outright sale is the traditional route into home ownership. All our homes are designed and finished to impeccable standards, with a high specification as standard, providing outstanding value and quality. We are proud of the homes we build, and offer what we like to call the 'Hyde Difference'.

Shared ownership

Shared ownership is a government-backed scheme designed to enable buyers to purchase a percentage of the equity, which is affordable to them, in a new home. The buyer then pays a subsidised rent on the unsold equity and a monthly service charge to Hyde. This means that the initial deposit required is also smaller than when you buy your home outright. We ensure we provide the same high-quality product with the same specification as buying outright.

STAIRCASING: BUYING MORE SHARES

Staircasing is the process through which you can increase your share of a property over a period of time. To find out more about staircasing and buying a shared ownership home please visit:

Gold standard service

Our ambition is to be a truly customer-driven housing provider. This means communicating clearly and listening to you throughout your home buying journey, from the initial viewing to when you move into your new home. Through the use of technology, you can view, secure and complete your purchase from the comfort of your sofa. Our aim is to make your experience smooth and enjoyable. We also work hard to ensure you settle in comfortably and our Product Quality Team will be in touch with you regularly over the first twelve months. During this time, we also engage an independent research company called In-house to conduct feedback surveys on our behalf and consistently review this feedback to continue improving our service to you. In fact, over 96% of customers have said they would recommend us to friends and family and we are delighted that, as a result, we have been granted the In-house Gold Award accolade for the twelfth year running. In addition, we've also received the prestigious Outstanding Achievement Award for customer satisfaction for Net Promoter Score® a trademark measure used to gauge customer satisfaction. 77.8% of our customers rated us a 9 or 10, on a scale of 0-10, indicating they're highly likely to recommend Hyde New Homes to their friends, colleagues, or family members without hesitation.
