The Trent & Mersey Canal and lock runs to the front of the property, although there are no views of this and no direct access to it from the property, but this can be accessed by walking a few 100 yards up the lane adjacent.

We understand the property is registered with Land Registry under a Title covering several properties (Sandon Estate) and it will need to be separated.

The Estate is not selling all of the land and properties in their ownership.

There is a private treatment plant shared with 1,2 and 3 Mill Cottages and it is on land to be retained by The Sandon Estate.

There is no mains gas and no mains drainage.

Access is over a shared private drive and there will be shared maintenance costs.
