The information given in these particulars is intended to help you decide whether you wish to view this property and to avoid wasting your time in viewing unsuitable properties. We have tried to make sure that these particulars are accurate, but to a large extent we have to rely on what the seller tells us about the property. We do not check every single piece of information ourselves as the cost of doing so would be prohibitive and we do not wish to unnecessarily add to the cost of moving house. Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyors report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission etc) as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains etc) will be included in the sale.

Ownership
Park Homes are unique in that they are neither leasehold nor freehold. Instead, as an owner, you have the right to station your home on the land in perpetuity (that is, indefinitely). When purchasing, you buy the home itself and lease the pitch (plot of land) on which it stands.

Please note that most high street lenders do not offer mortgages for park homes.

Pitch Fees
The monthly pitch fee is currently £197.45, payable to Turners Parks Group Ltd. Pitch fees are reviewed annually, with any adjustments taking effect from 1st January each year.

Utilities
Water, sewerage, and gas are billed directly by the utility suppliers.

Electricity is recharged by the park operator on a quarterly basis, depending on individual usage.

Lifestyle & Community
This exclusive park is designed for residents aged 50 and over, offering a peaceful and friendly environment for like-minded individuals.

All residents are asked to adhere to the Park Rules, ensuring a harmonious and well-maintained community. (A full list of rules is available on request.)

Residency
Your Park Home must be your main residence in the UK, and subletting is not permitted, helping preserve the sense of community and security within the park.

Pets
We know pets are family too - residents are welcome to keep one dog and one cat per home.

Sale Arrangements
When a Park Home is sold, Turners Parks Group Ltd are entitled to a 10% commission, payable by the purchaser.

For example, if the sale price is £99,995, the purchaser would pay:

- £89,995.50 to the vendor, and
- £9,999.50 to Turners Parks Group Ltd.

EPC
Park homes do not need an Energy Performance Certificate (EPC) as they are exempt.

Council Tax
We understand the council tax is band A (£1,580 per annum. Charges for 2025/26).
