Jodie says:

"As you step inside this beautifully presented linked-detached home, you feel instantly welcome. The hallway, is spacious and inviting, leading to the front living room which is bright and generously sized, perfect for cosy evenings or gatherings, with sunlight pouring in through the large front window. To the rear, my favourite room and the heart of the home is the modern kitchen diner. It's both stylish and practical, complete with integrated appliances and lovely views out to the garden. It's a space that invites conversation, cooking, and connection, whether you're enjoying a quiet morning coffee or hosting friends for dinner. With a handy downstairs WC, there's no need for your guests to go upstairs!

Upstairs, there's three spacious bedrooms, each thoughtfully laid out. The main bedroom is a peaceful space with a large built-in wardrobe, great for storage. The two single bedrooms, tucked away at the back of the house, are ideal for children, guests, or even a home office. The newly fitted bathroom is sleek and neutral, the perfect calming space to relax and unwind.

Outside, the garden is a true extension of the living space, you step out onto the patio area, a great space for garden furniture, followed by a lawned area that's perfect for play, planting, or simply unwinding in the fresh air. There's also convenient side access into the garage where there's space for more appliances, making life just that little bit easier.

This is a home that's been lovingly cared for and thoughtfully designed, a place where comfort meets practicality, and every corner feels ready to be lived in".

A message from the seller:

"Selling our home is truly bittersweet. It's been such a special place for us, our very first home together. We've loved every moment of bringing this house back to life through our renovations and making it our own. Hilton is a wonderful, family friendly village with a real sense of community, and we feel so lucky to have been a part of it. We hope the next owners will love living here and create just as many happy memories as we have."
