It falls in the catchment area of Bamfield's Primary School and Walton High School for secondary education. Junctions 13 and 14 of the M6 provide links into the national motorway network and Stafford has its own intercity railway station offering regular services to London Euston, some services taking only approximately one hour and twenty minutes.

Internally the property comprises of a porch with front door and separate door to the garage. Kamdean flooring extends throughout the ground floor, including the lobby which has an outer door to the garden. There is an open plan kitchen/diner which is equipped with a range of matching wall and base units with fitted work surfaces over, inset sink with drainer and mixer tap over, tiled splashbacks, brand new oven and hob and concealed extractor canopy above. There is space and provision for other domestic appliances. From the dining area, there are patio doors opening to the lovely terrace and garden, and stairs rising to the first-floor landing. Completing the ground floor is the spacious living room, having a front facing bow window with pleasant aspect to the front, wooden style laminate effect flooring, and two ceiling light points.

The first-floor landing has a cupboard housing the gas boiler, loft access to the roof space, and off which leads three bedrooms. The principal bedroom has built-in mirrored wardrobes and bedroom two has a built-in cupboard. The family bathroom has a white three piece suite, half height tiling and chrome towel radiator.
