Description

The premises comprises an imposing three-storey Grade II listed double fronted building, most recently occupied by a bank. The ground floor is mainly open plan with perimeter offices, rear storage, together with bank vault. To first and second floors there is a mixture of open plan and secular offices and storage accommodation.

The property also benefits from rear access, two outbuildings and parking for approximately 7 cars. This strip of land is owned by separate title and will be sold together with the main building.

We consider that the upper floors of the building have good potential for conversion to residential, subject to the relevant planning and building consents being obtained.
