Situated to the front of the once cherished and locally renowned butterfly park, Hall Marsh House is now a breathtaking private residence of distinction – a beautifully extended and comprehensively restored family home offering over 4,000 sq. ft. of versatile living spaces and outbuildings, nestled in the heart of Long Sutton’s charming community.

Behind its handsome façade lies a home of scale and substance, where original character blends seamlessly with bespoke modern design. The principal house alone spans over 3,000 sq. ft., thoughtfully arranged across three floors to offer five elegant double bedrooms, refined reception spaces, and a striking new bespoke kitchen and breakfast room – the beating heart of the home.

Tasteful interiors flow from room to room, from the warm embrace of the snug/library and the grandeur of the drawing room, to the relaxed comfort of the garden room and the beautifully appointed games room – each space tailored for family life and entertaining alike. A selection of rooms throughout the home have been fitted with air conditioning/heat units for an added sense of luxury and comfort.

To the rear, lifestyle takes centre stage. An exceptional indoor swimming pool room with full-width bi-folding doors allows the outdoors to blend seamlessly with the interior, while a fully equipped home gym and stylish outdoor kitchen and dining area form part of the extensive outbuildings – offering both indulgence and functionality.

A peaceful home...
inviting and timeless.

...such a sociable
entertaining home,
we've made wonderful
memories here.

We love the character and charm. There's space for us all to be together, or to spend quiet time alone.

Above the detached garage sits a private home office/annexe, complete with a Juliet balcony and full services, ideal for remote working, guest accommodation, or creative use. In total, the outbuildings and annexe contribute in excess of 1,000 sq. ft., providing unmatched flexibility.

Outside, the gardens are arranged to offer a series of beautiful and purposeful spaces – from the hot tub nook and al fresco dining terraces, to quiet spots for reflection. Whether hosting summer gatherings or unwinding in solitude, the setting adapts to every mood and season. The property is approached via sliding electric gates, opening onto a resin-bonded driveway that provides ample parking and leads to the detached double garage.

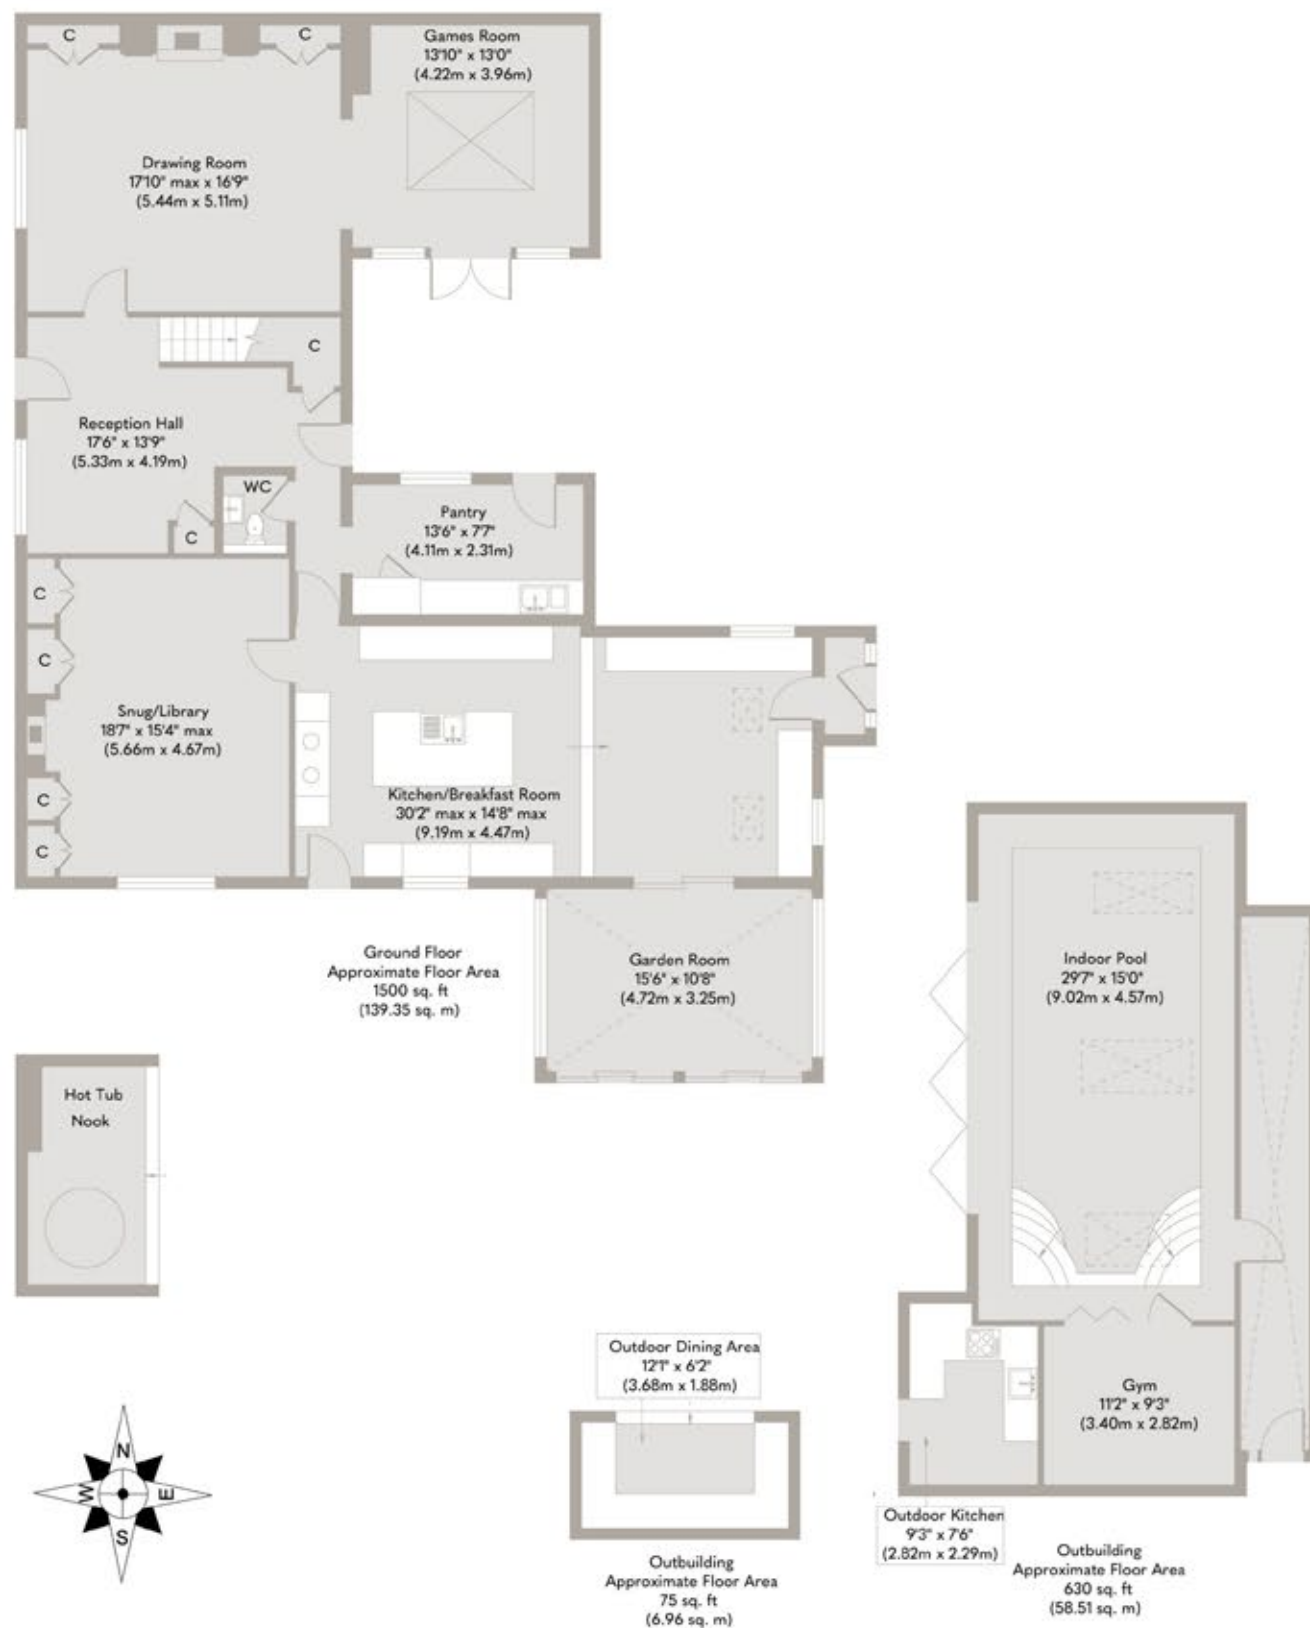

Situated in a peaceful position towards the periphery of the town, balancing walking distance to local amenities and scenic marshland walks, Hall Marsh House is also well placed for families, with local schooling nearby and the highly regarded Wisbech Grammar School just approximately a 15-minute drive away.

Lovingly transformed by the current owners over the past seven years, this is a home that offers both generous proportions and an intimate sense of peace – a rare and remarkable opportunity to acquire a landmark residence of lasting distinction.
