Semi-Detached House | Enclosed Porch | Entrance Hallway | Living Room | Dining Room | Kitchen | Study/Playroom | Four Bedrooms | Bathroom With Separate W.C. | Ensuite To Principal Bedroom | Double Glazing | Gas Central Heating | Driveway Parking | Integral Garage | Lovely Large Garden With Gated Side Access | Potential To Extend STPP |

This extended house has been well maintained by the current owners since 1975, and although it would benefit from modernising, the property is in excellent order throughout and you can move in before deciding to update. The front has a block paved driveway leading to a single, integral garage with an up-and-over door, as well as internal door to the property. On entering, there is an enclosed porch before the entrance hall and then a separate living room and dining room. The kitchen is fitted with white wall and base units and has the potential to be knocked through to the dining room to make a wonderful open plan kitchen. Downstairs is completed with a study, which could also be used as a children's playroom. Upstairs are four bedrooms, three on the first floor with the family bathroom and separate W.C., and one bedroom on the second floor, which enjoys the use of an ensuite shower room. The rear garden is over 120ft long and has an initial patio area and then is mainly laid to lawn with a shed, greenhouse and gated side access. The property also benefits from gas central heating, double glazing and the potential to extend (STPP). A lovely property, which is worth of an internal viewing.
