Beehive Cottage, Churchill Green

Churchill, Winscombe

Set within a peaceful and attractive setting, this spacious and well presented home offers an impressive blend of character, comfort and modern living. Thoughtfully designed to provide generous accommodation across two floors, the property enjoys excellent natural light, flexible living spaces and well tended gardens that wrap around the house.

Entering the property, you step into an inviting hallway complete with a useful storage cupboard. Straight ahead lies an impressive reception room filled with natural light from patio doors, feature floor to ceiling glazing and three large electrically operated Velux windows. A door offers access into the conservatory, while to the right a feature wall showcases an elegant double sided stove that warms both this room and the main sitting room beyond.

The reception room flows seamlessly into a newly fitted shaker style kitchen, finished to a high standard in deep, sophisticated blue cabinetry paired with contrasting white worktops. A breakfast bar provides informal dining space, while the kitchen itself is superbly equipped with an American fridge freezer, oven, micro/oven combination, induction hob, dishwasher and discreet bin cupboard. This room formed part of the 2024 refurbishment and extension, which connected the original kitchen to the garage, creating a generous and highly functional utility room. From here, there is internal access to the double garage, complete with power and a convenient rear garden door.

Planning permission has been granted to convert the garage, giving purchasers the opportunity to create further living or working space if desired.

The conservatory, accessible from both reception spaces, features attractive stone-built dwarf walls and a radiator connected to the main heating system, making it a comfortable and versatile room throughout the year.

Returning to the hallway, two well proportioned double bedrooms sit to the right. Between them lies a stylish bathroom with walk in shower and vanity unit sink, accessible from both the hallway and one of the bedrooms, which also benefits from a fitted wardrobe.

The main sitting room lies to the left, showcasing the other side of the double sided stove as a striking focal point, complemented by feature shelving. Two windows and wooden double doors into the conservatory sit beneath elegant arched detailing, with charming window seats enhancing the room's character. Completing the ground floor is a conveniently located downstairs cloakroom, adding further practicality to this thoughtfully designed level.

Oak stairs rise to a bright, airy landing illuminated by two windows overlooking open farmland. Upstairs, four double bedrooms offer generous space and double aspect views. Two rooms feature a full wall of fitted wardrobes, while a third includes an additional storage cupboard. A family bathroom serves this floor, complete with a bath and shower over, and also enjoys a connecting door into one of the bedrooms for added convenience.
