The Bourton, London Road

Tetbury

This EXCEPTIONAL three double bedroom mid-terraced house offers contemporary, energy-efficient living across three thoughtfully designed floors. As a ZERO CARBON energy saving home, it is equipped with state-of-the-art renewable technologies, including SOLAR PV panels and AIR SOURCE HEAT PUMP, which contribute to an impressive predicted A rated 97 energy assessment score. The flexible accommodation has been designed to maximise both light and space, with a bespoke Peter Clinch kitchen featuring Neff appliances, a fully glazed panoramic window wall, and French doors that open onto the garden, creating a seamless flow between indoor and outdoor living. The BEDROOM 1 SUITE occupies the entire top floor and boasts a built-in wardrobe and a stylish en-suite shower room. Two further spacious double bedrooms and a family bathroom ensure ample accommodation for families or guests. Additional features include an electric vehicle charging point, high-quality finishes throughout, and two designated parking spaces.
